

Oldest Air Conditioner Competition

- Central Air Conditioner or Heat Pump Not Working
- Old Central Air Conditioner or Heat Pump System?
- Need Your Central Air Conditioner or Heat Pump Serviced?

The oldest heat pump serviced by Mountain Valley Home Comfort during the month of May will receive a free Lennox ML14XC1 replacement outdoor Air Conditioner.

The person with the oldest residential air conditioning or heat pump outdoor unit, serviced by Mountain Valley Home Comfort Inc. during the month of May will win a free replacement air conditioner or heat pump. Unit must be serviced by Mountain Valley Home Comfort during the month of May. Name plate must be legible enough to determine age of system. Must ask the technician to submit your system to be eligible to win. One entry per customer. Replacement includes a new Lennox ML14XC1 A/C or ML14XP1 Heat pump. Equivalent value of \$4,200 may be applied to the purchase of any other Heat Pump or Air Conditioner Replacement from Mountain Valley Home Comfort.
